

MUHAMMAD REHAN YASEEN

Junior UI/UX Designer

Lahore, Pakistan | +92 370 8921319 | rehanyaseen8772@gmail.com

SUMMARY

Junior UI/UX Designer with experience designing web and mobile products in Figma. Skilled in user flows, wireframes, prototypes and design systems, with a focus on creating simple, user-friendly interfaces.

EXPERIENCE

Junior UI/UX Designer | RAD Agency

Lahore, Pakistan | March 2026 – Present

- Designed user flows, wireframes and UI for web and mobile products.
- Created interactive prototypes to test and present design flows.
- Built reusable components and design systems for consistent designs.
- Designed responsive layouts for desktop and mobile.
- Worked with the team to turn project requirements into simple user experiences.

SELECTED PROJECTS

Daily Duaah

- Designed a mobile app for discovering, reading and saving daily duas.
- Created user flows for onboarding, categories, reading, favorites and collections.
- Kept navigation simple so users can easily find and organize duas.

Tapple

- Designed a creative app for generating interactive visuals and wallpapers.
- Created flows for choosing visual styles, selecting colors, previewing and creating wallpapers.
- Designed a simple dark interface that keeps the focus on the visuals.
